Hello Mr. Frink,

You subscribed to the California WaterFix Lyris list through the link below to receive periodic announcements and updates regarding the California WaterFix. That is different from our Service List for the California WaterFix Petition Hearing. The [Service List](#) is a list of parties to exchange information during the hearing. I assume you are working with Jennifer Spaletta on behalf of the North San Joaquin Water Conservation District or County of San Joaquin, et al., or both? I am copying Ms. Spaletta on this email. If she could reply to this email and ask that you be added to the Service List as an authorized representative of one or both parties, including your email address, then we will add your name and email address and you will start receiving emails related to the hearing. Please let us know if you have any other questions.

Kyle,

Thank you for the quick reply. After looking through the emails sent to other parties on the service list, I realize that my question was addressed in an email sent earlier today. I have tried to add my name/email to the service list by using this link (http://www.waterboards.ca.gov/resources/email_subscriptions/swrcb_subscribe.shtml#rights), and have received messages from that webpage indicating that my name is already included on the service list, but have not received emails such as the email sent today @ 12:18 PM (I examined the list of recipients on this email, and my name was not included).

Would really appreciate your help in having my name added to the service list. Thanks!

Best,

Russell
