***Re: SDWA Parties Witness Panels***

Dear Co-Hearing Officers Doduc and Marcus:

Pursuant to the extensive scheduling discussions which occurred during the CWF proceedings of October 28, 2016, the SDWA Parties are prepared to commence its Case in Chief as early as Friday, November 4, 2016. The SDWA Parties intend to present three witness panels. The first will be a technical panel consisting of Thomas Burke, Terry Prichard and Dr. Jeffrey Michael. We are requesting to be allotted 1 hour and 40 minutes to present this panel. We expect there will be some fairly extensive cross examination of this group. Please note that our previous Notice of Unavailability indicated that Thomas Burke was not available on November 17, 2016. Mr. Burke has cleared his conflict and is fully available on that date.

Our second Panel will consist of farmers Rudy Mussi, Mark Bachetti and Chip Salmon. We are prepared to present this panel at the conclusion of our first panel except for the fact that Chip Salmon is not available until after November 10, 2016. Consistent with our NOI, we request a total of 30 minutes for this panel. Our third and final panel will consist of Dante John Nomellini Sr., Esq. Consistent with our NOI, we continue to request 60 minutes for presentation of Mr. Nomellini's testimony. Please note that, as originally conceived, Linda Turkatte and Erik Ringelberg were also going to be on this panel. However, Ms. Turkatte's and Mr. Ringelberg's testimony will be presented as part of the County of San Joaquin's joint panel 3. Therefore, the original amount of time we requested in our NOI for these two witnesses will not be necessary.

Thank you for continued professional courtesies as concerns these matters.

Very truly yours,

HARRIS, PERISHO & RUIZ
