- 16 1. I am a legal analyst in the Office of Chief Counsel at the California Department of Water
17 Resources.
18 2. I assist with submissions and filings to the California State Water Resources Control Board.
19 3. I was involved with the preparation and submission of objections to Parties' cases-in-chief for
20 Part 1B of the water rights hearing for the addition of three new points of diversion to certain
21 permits held by the California Department of Water Resources necessary to construct the
22 project known as the California WaterFix.
23 4. All objections to the Parties' cases-in-chief were prepared prior to the submission deadline of
24 September 21, 2016 at noon.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.
