Subject: Protest and Request for Reconsideration of 3 July 2015 Order Approving TUCP of DWR and USBR

Dear Messrs. Satkowski and Carr,

Please find attached a Protest, Objection, Petition for Reconsideration and Petition for Hearing (Protest) respectfully submitted by the California Sportfishing Protection Alliance, California Water Impact Network and AquAlliance regarding the 21 May 2015 Temporary Urgency Change Petition (TUCP) submitted by the Department of Water Resources and U. S. Bureau of Reclamation (USBR) and the 3 July 2015 responding Order by the State Water Resources Control Board (SWRCB).

This Protest is composed of the cover Petition and Attachments 1, 2 and 3, which cumulatively demonstrate that the TUCP Order are not within the SWRCB's jurisdiction, will not best serve the public interest, are contrary to law and will have an adverse environmental impact. The conditions under which this Protest may be disregarded and dismissed are identified in Attachment 1.

This Protest/Petition for Reconsideration should not to be confused with the specific Complaint against the SWRCB and USBR that was sent earlier today.

The 30-day response period concluded on Sunday 2 August 2015 and this Protest is submitted the first following business day. We would appreciate a receipt of timely submission. If you have questions, please don't hesitate to contact me. Thank you.
