Control Board
P.O. Box 100
Sacramento, CA 95812-0100

Hello Felicia Marcus, &
Board Members,

Please, please, please
improve the Bay Delta
Wet, Dually Control Plan.
The Control is not enough,
the fish, which is crucial, to
our red-species, need
to survive. If we do
not improve, this will be
no better for all of us
in CA!

- Curtis Tan
