Subject: 1966 archived water rights within the San Bernardino National Forest boundaries
Attachments: Doc Jan 31, 2018, 1150.pdf

Dear Mr. Vasquez,

Below is the U.S. Forest Service archived 1966 Water Rights within the San Bernardino National Forest boundaries. This document is from the National Archives in Perris, CA. The document reveals that Nestle's predecessors-in-interest (Arrowhead Puritas) did not have water rights anywhere in the San Bernardino National Forest. Thus, once again this 1966 document confirms that Nestle's predecessors-in-interest had no water rights in upper Strawberry Canyon or Indian Springs.

Sincerely,
Amanda Frye
