6 Please provide locations of all points of diversion (latitude /longitude), associated inundation areas (acres), and associated assessor parcel numbers (APNs).

The Department of Water Resources maintains a Groundwater Recharge website with tutorials, webinars and a site for general questions. There is also an online application that can be used to help identify coordinates, APNs, acres, GSA information, and develop a map.

GPS Coordinates					
	Latitude		Longitude		
POD #1	36° 0'52.35"N	POD #1	119°32'10.21"W		
POD #2		POD #2			
POD #3		POD #3			
POD #4		POD #4			
POD #5		POD #5			
(*Please list additional PODs here as necessary).					
Please list APNs that could be/were inundated by the intentional flooding activity:					
291-020-019, 291-020-020, 291-030-044, 291-020-005, 291-030-045 291-010-010, 291-140-001					
Please provide an estimate of the maximum area of inundation (acres): 1,618					
Attach map showing associated inundation areas.					
You must also provide this report to the Groundwater Sustainablity Agency(s) (GSAs) for basin receiving recharge.					
Identify GSAs you will notify: Lower Tule River					
Date will notify: 4/6/23					
(You may choose to provide GSAs notification as cc's on your submittal email)

#### **Dairy Land Certification:**

All diverters must answer this question

### 9 Please certify that water diverted is not diverted to and not applied to:

(please check ALL that apply)

<b>✓</b>	dairy land application areas;
<b>✓</b>	any agricultural field where pesticide or fertilizer application has occurred in the prior 30 days;
<b>V</b>	any area that could cause damage to critical levees, infrastructure, wastewater and drinking water systems, drinking water wells or drinking water supplies, or exacerbate the threat of flood and other health and safety concerns;
✓	any agricultural field where pesticide or fertilizer application has occurred in the prior 30 days; cultivation within the past three years, including grazing lands, annual grasslands, and natural habitats. This limitation does not apply to facilities already constructed for the purpose of groundwater recharge or managed wetlands.

## **Instructions for submittal:**

Save this report with title of Entity Name (abbreviation ok) and date prepared (e.g. MMWD 03252023)

Prepare an email addressed to: <u>FloodDiversion@waterboards.ca.gov</u>

Attach this excel file and your map to email and submit.

Reports received will be web posted here:
