## **Dairy Land Certification:**

All diverters must answer this question

### 9 Please certify that water diverted is not diverted to and not applied to:

(please check ALL that apply)

- dairy land application areas;
- any agricultural field where pesticide or fertilizer application has occurred in the prior 30 days;
- any area that could cause damage to critical levees, infrastructure, wastewater and drinking water systems, drinking water wells or drinking water supplies, or exacerbate the threat of flood and other health and safety concerns;
- any agricultural field where pesticide or fertilizer application has occurred in the prior 30 days; cultivation within the past three years, including grazing lands, annual grasslands, and natural habitats. This limitation does not apply to facilities already constructed for the purpose of groundwater recharge or managed wetlands.
