Good Morning Gentlemen,

Your hearing and the deadline for receipt and service of witnesses' proposed testimony, exhibits, lists of exhibits, qualifications, and statement of service described in the Notice of Public Hearing for David E. Hopkins are **POSTPONED**, pending completion of settlement negotiations. If the settlement negotiation is fruitful and the State Water Board's Executive Director approves of the settlement agreement, then this hearing will be cancelled. Please note that the forthcoming official Notice of Postponement will require a status update of the settlement negotiation by March 11, 2019.

Our only means to communicate with Mr. Hopkins is through mail; we are working to notify Mr. Hopkins of the postponement as soon as possible. If you have any questions regarding the postponement of this hearing, please feel free to contact me.

Lisa Hong, E.I.T.

Water Resource Control Engineer
