Subject: Courtesy Notice of Cancellation - Lawson Failure to File Hearing
Date: Monday, January 28, 2019 10:48:00 AM

Good Morning Ladies and Gentlemen,

This email is to inform you that the hearing to determine whether to impose administrative civil liability for failure to file Annual Water Use Report against **Robert A. Lawson** (respondent) has been **cancelled**.

The December 20, 2018 [Notice of Public Hearing](#) set a deadline of January 11, 2019, for the Board to receive Notice of Intent to Appear (NOI) forms from anyone wishing to participate in this hearing (beyond presenting a non-evidentiary policy statement). As a courtesy, by letter dated January 14, 2019, the State Water Board extended the NOI deadline until January 22, 2019. As of January 24, 2019, the State Water Board has not received the respondent's NOI form.

The [Notice of Public Hearing](#), as well as the January 14, 2019 courtesy letter, specifies:

If the State Water Board does not receive a NOI from the Respondent indicating the Respondent's intent to participate in the hearing as a party by the deadline specified below, the Board may deem the Respondent's request for a hearing regarding the administrative civil liability complaint to be withdrawn and may impose the administrative civil liability without further notice.

On January 28, 2019, the Hearing Officer granted cancellation of this hearing. Accordingly, no hearing will be held on this matter due to the Respondent's failure to submit an NOI form, and the hearing is **hereby cancelled**. Administrative civil liability may be imposed without further notice. Please allow some process time for the official Notice of Cancellation to be issued and mailed.

If you have any questions regarding the cancellation of this hearing, please feel free to contact me.

Lisa Hong, E.I.T.

Water Resource Control Engineer

Division of Water Rights, [Hearings Unit](#)
