DIVISION OF WATER RIGHTS

ORDER WR 2019-0052-EXEC

In the Matter of Administrative Civil Liability for Failure to File Annual Water Use Reports upon

Baywood Golf & Country Club

ORDER APPROVING SETTLEMENT AGREEMENT

BY THE EXECUTIVE DIRECTOR¹

1.0 INTRODUCTION

This matter comes before the Executive Director of the State Water Resources Control Board (State Water Board or Board) following the issuance of Administrative Civil Liability Complaints (ACL Complaints) to Baywood Golf & Country Club (Respondent). In accordance with the attached Settlement Agreement, the State Water Board's Division of Water Rights Prosecution Team (Division Prosecution Team) and the Respondent have agreed to settle this matter in lieu of proceeding to a hearing. The issuance of a decision or order pursuant to a settlement agreement is authorized under Government Code section 11415.60.

2.0 BACKGROUND

The Respondent holds water right License 10457 and License 10566.

The Respondent must, pursuant to regulations enacted by the State Water Board, submit reports online through the Board's website documenting the Respondent's water diversion and use (Annual Water Use Report) under License 10457 and License 10566 by April 1 of each following calendar year. (Cal. Code Regs., tit. 23, §§ 847 & 929). The Respondent was required to file the Annual Water Use Reports for the 2016 and 2017 water years by April 1, 2017 and April 1, 2018, respectively.

On July 27, 2018, the Division mailed to the Respondent a Notice of Deficiency. The Notice of Deficiency warned of the potential for enforcement if the required Annual Water Use Reports were not submitted.

On September 17, 2018, the Division mailed to the Respondent a final Notice of Deficiency, putting the Respondent on notice of imminent enforcement if the Annual Water Use Reports were not submitted.

¹ [State Water Board Resolution No. 2012-0061](#) delegates to the Executive Director the authority to issue a decision or order by settlement of the parties under Government Code section 11415.60.

On October 19, 2018, the Assistant Deputy Director for the Division of Water Rights acting under delegated authority issued ACL Complaints to the Respondent for failing to file the required Annual Water Use Reports.

The ACL Complaints recommended administrative civil liability in the amount of \$1,500 per violation. The ACL Complaints included a cover letter explaining the violation and an offer to settle for \$500 per violation if the Respondent submitted the Annual Water Use Reports, signed and submitted a waiver of the right to a hearing on the matter, and submitted the settlement payment amount all within 20 days of receiving the ACL Complaints.

The recommended penalty of \$1,500 per violation is based on the relevant circumstances alleged in the ACL Complaints, including the failure of the Respondent to submit the Annual Water Use Reports despite repeated notifications, the harm to the Division's effectiveness in regulating water diversions caused by that failure, the staff costs associated with pursuing compliance, and the overall need to preserve the integrity of the regulatory program.

The Respondent timely requested a hearing before the State Water Board to contest the allegations within the ACL Complaints.

On December 20, 2018, the State Water Board Hearings Unit issued a Notice of Public Hearing, scheduling a hearing on the allegations in the ACL Complaints to be held on February 8, 2019.

The Respondent and the Division Prosecution Team have engaged in settlement negotiations and agreed to settle all matters identified in the ACL Complaints issued to the Respondent on October 19, 2018, through a settlement agreement in lieu of a hearing.

3.0 SETTLEMENT AGREEMENT

The Respondent and the Division Prosecution Team executed the Settlement Agreement, dated March 31, 2019, and attached hereto. The general terms of the Settlement Agreement are that the Respondent: (1) waives the right to a hearing on the ACL Complaints, waives the right to petition for reconsideration of this Order, and agrees to the other terms and conditions described in the Settlement Agreement and incorporated herein; and (2) is subject to administrative civil liability in the amount of \$1,000 payable within 20 days of receipt of the ACL Complaints, to be deposited into the Water Rights Fund pursuant to Water Code section 1054, et seq.

ORDER

IT IS HEREBY ORDERED THAT the attached Settlement Agreement between the Division Prosecution Team and Baywood Golf & Country Club is approved and is incorporated by reference into this Order.

This Order constitutes a cease and desist order for purposes of division 2, part 2, chapter 12 of the California Water Code (commencing with section 1825). Violations of this Settlement Agreement and this Order will be subject to further enforcement under California Water Code section 1845 at the discretion of the State Water Board.

Upon the failure of any person or entity to comply with a Cease and Desist Order issued by the State Water Board, and upon the request of the State Water Board, the Attorney General shall petition the superior court for the issuance of prohibitory or mandatory injunctive relief as appropriate, including a temporary restraining order, preliminary injunction, or permanent injunction. (Wat. Code, § 1845, subd. (a).)
