SERVICE LIST OF PARTICIPANTS TO EXCHANGE INFORMATION: Lawrence E. Pavese - Hearing to determine whether to impose Administrative Civil Liability

Service List of Participants to Exchange Information

On December 20 2018, the State Water Resources Control Board (State Water Board) issued a [Notice of Public Hearing](#) (Hearing Notice), regarding administrative civil liability complaint for failing to file Annual Water Use Reports and 2016 and 2017. In accordance with the Hearing Notice, enclosed is a Service List of Participants to Exchange Information (Service List) that lists parties that have submitted a Notice of Intent to Appear (NOI) and indicated their intent to participate in the hearing through direct testimony, cross-examination, or rebuttal. A copy of each NOI form that the State Water Board has received for this hearing is also attached. This service list includes the contact information of all participants and their selected service types. Any corrections to the Service List should be addressed to the State Water Board as shown below.

Any communications to the State Water Board regarding substantive or controversial procedural matters, including but not limited to submittals of evidence, briefs, and motions, must include a statement of service. A statement of service is a document demonstrating that all parties on the Service List have been served a copy of the communication or submittal via their selected manner of service (electronic service or mail service). An example statement of service can be found on the last page of https://www.waterboards.ca.gov/waterrights/water_issues/programs/hearings/cachuma/comments_draftorder/michael_jackson.pdf. If the Service List is updated, we will provide you with a copy of the updated list.

Reminder of Time Limits (unless Amended by the Hearing Officer)

- **Opening Statements**: 5 minutes per party.

The hearing officer may, for good cause, approve a party’s request for additional time to present direct testimony during the party’s case-in-chief. The hearing officers also have discretion to allow additional time for cross-examination if there is good cause demonstrated in an offer of proof.

These limits remain in force and effect.
