Bay-Delta Plan SED
Deadline: 3/29/13 by 12 noon

DEAR MS. TOWNSEND,

AS A RESIDENT OF DISCOVERY BAY WHO LIVES ON THE WATER I AM VERY UPSET THAT THE STATE WATER RESOURCES BOARD IS MOVING TO DEGRADATE OUR WATER QUALITY BY REDUCING FRESH WATER FLOWS TO THE SAN JOAQUIN RIVER AND ALLOWING AN INCREASE IN SALINITY OF OUR WATER. HOW CAN A FEW FARM CORPORATIONS EXERT SO MUCH CONTROL OVER OUR WATER POLICIES? THE SHIPPING OF WATER TO THE SOUTH WILL INCREASE DESERT FARM PROFITS BUT DECREASE THE QUALITY OF LIFE (AND OUR PROPERTY VALUES) FOR THOSE OF US WHO LIVE IN THE DELTA. PLEASE STOP THIS MADNESS!
