Subject: Recipients of Lyris
Importance: High

Good Morning Matt,

I was just tasked with gathering facts to review a possible CDO against Byron Bethany Irrigation District. Management is asking for the data by this afternoon.

Is it possible to research the recipients of the June 12th Lyris notice to find out which email addresses the notice was sent to at the following email domains?

@bbid.org

@somalaw.com

@lawssd.com

I also need to find out if the June 12th Lyris notice went to either of the following email accounts:

erin@cvstrat.com

alamb@sigov.org

Thanks, Paul
