RE: Termination of Wastewater Revocable License Agreement

Dear Sirs:

At its meeting on July 7, 2015, the Tracy City Council directed staff to terminate the subject agreement. Regrettably, the conditions imposed by the California State Water Resources Control Board make this sale of treated wastewater infeasible at the present time. This letter is the three-day prior written notice for termination of the agreement per Section 11.

The City appreciates working with the District over the years to address our mutual needs and will continue to endeavor to assist the District as opportunities develop.

Sincerely,

Troy Brown
