Subject: RE: BBID ACL/WSID CDO Hearing

Mr. Morat,

As you correctly mentioned, the joint Procedural Ruling of December 16, 2015 states that you will be allowed to testify during the week of March 21-25, 2016. The ruling also notes that the timing of your testimony may be discussed in further detail during the second pre-hearing conference on February 8, 2016. On February 8, 2016, the hearing officers again confirmed that you will have the opportunity to present your BBID Phase 2 testimony during the week of March 21st and, if necessary, will be taken out of sequence in order to do so on Friday, March 25th.

The joint Procedural Ruling of February 18, 2016 states that you are scheduled fourth in order for both the oral opening statement and phase 2 BBID ACL Complaint case-in-chief. This is also accurate. In the event that the hearings have not progressed to allow your testimony in the stated order, you will be taken out of sequence in order to do so on Friday, March 25th.

Please let me know if you have any additional questions.

Thank you,

Michael Buckman
Hearings Unit Chief, Division of Water Rights
State Water Resources Control Board

Subject: BBID ACL/WSID CDO Hearing

To the Parties:

I am asking Board Staff to verify the scheduling of the presentation of direct testimony by Morat.

The joint Procedural Ruling of December 16, 2015 states that Morat would be allowed to testify during the week of March 21-25, 2016 (Morat's testimony is BBID ACL Phase 2 material).

The joint Procedural Ruling of February 18, 2016 indicates Morat is scheduled for Phase 2 BBID ACL fourth in order. Presumably this is the week of March 29.

At the February 8 second Pre-Hearing Conference I heard BBID ACL Hearing Officer Doduc state the Morat would be fit in sometime on Friday. I assumed that would be Friday March 25, 2016 in accordance with the December 16, 2015 Procedural Ruling.

Please verify the ruling. I ask that the accommodation to my agreement to not object to the consolidation of the the hearings be honored.

Richard Morat
