

## STATEMENT OF QUALIFICATIONS – THOMAS J. BUNOSKY

Thomas J. Bunosky  
Director of Network Services  
California American Water  
303 H Street, Suite 250  
Chula Vista, CA 91910  
(619) 409-7717

**Education:** Bachelor of Engineering degree – Youngstown State University  
Masters of Business Administration – Baldwin Wallace College

**Business Experience:** I have over 25 years of experience in the water and wastewater industry in four states.

### **American Water Works, Inc.**

**January 2007 - Present**

Director of Network Services – I am responsible for the operations of various water systems throughout California consisting of approximately 175,000 customers. The areas stretch from Northern California (Sacramento area) to Southern California (San Diego area). The largest water system consists of 30,000 customers to the smallest system which consists of 100 customers. In addition, I am responsible for the wastewater operations in the northern area of California consisting of three wastewater systems and plants serving approximately 5,000 customers.

### **Aqua Illinois Inc.**

**1998 – January 2007**

Vice President / Regional Manager – I was responsible for the daily operations, capital improvements and profit and loss of various water and wastewater systems located in eight separate counties throughout Illinois. My responsibilities also included maintaining positive relationships with local government officials, the local media and the regulating entities of the Illinois Environmental Protection Agency and the Illinois Commerce Commission, as well as oversight on all aspects of the operation including plant operations, distribution and collection systems and customer service activities.

### **Past Positions:**

Chairman, Kankakee/Will/Grundy County Workforce Investment Board  
Chairman and President, Kankakee County Christmas In April Inc.  
Vice Chairman, Kankakee River Basin Commission  
Chair, Customer Services Activities Committee of the Cal-Nev. AWWA Section.  
Peer reviewer for the AWWA QualServe program  
Member, Water Utility Council of the Illinois AWWA Section
