Re: Petition for Reconsideration of Order 2009-0060

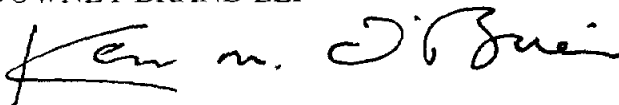

Dear Mr. Murphey:

Enclosed for filing is Pebble Beach Company's petition for reconsideration of Order 2009-0060, adopted by the State Water Resources Control Board ("Board") on October 20, 2009. Order 2009-0060 is a cease and desist order in the matter of the unauthorized diversion and use of water by the California American Water Company. The Pebble Beach Company was a party to the proceedings that resulted in adoption of Order 2009-0060, and now asks the Board to reconsider several provisions of Order 2009-0060 that directly relate to the Pebble Beach Company's water entitlements. Enclosed is a petition for reconsideration and a statement of points and authorities in support of the petition.

Thank you for your attention to this matter.

Very truly yours,
