Subject: RE: UWMP on file?

Rick,
 Cal American Water Company, Monterey, filed a plan on 13 July 2006. Luis Avila finished his review on 29 December 2006 and the 'incomplete' letter went out on 22 January 2007. No further action has been reported.

Subject: UWMP on file?

Chriss,

Our old deputy director and office chief Jonas has asked whether Cal American Water Company, Monterey, has an UWMP on file (and whether it is complete). I do not see this agency on the list of suppliers who do not have plans.

Can you please reply to all with the status of that plan?

Thanks,

Rick Soehren
