**Re: Request for Hearing in the Matter of Notice of Proposed Revocation
for License 2329 (Application 1483), San Dimas Canyon Tributary to
San Gabriel River in Los Angeles County, 334:PLM:1483**

Dear Mr. Herrera:

On behalf of this firm's client Golden State Water Company ("GSWC"), which was formerly named Southern California Water Company, we hereby request a hearing from the State Water Resources Control Board in the above-referenced matter. GSWC received your Notice of Revocation letter on August 20, 2007, so the 15-day period for requesting a hearing would expire on September 4, 2007.

We will contact Ms. Mrowka of your staff to discuss this matter further. Please confirm your receipt of this letter, and send any further correspondence to me at the address, e-mail and telephone numbers above.

Sincerely,

C. Wesley Strickland
