Re: SWRCB Hearings

Dear Chairman Baggett:

We are in receipt of Mr. Wagner's June 28, 2002, letter, in which Audubon requests another briefing extension, this time on the basis that apparently a bad CD of the Final EIR/EIS was sent to them.

Imperial Irrigation District opposes this request. As soon as IID became aware of Mr. Wagner's complaint last Friday, it immediately notified him of the website where the entire Final EIR/EIS could be located, and arranged to send out another CD via Fed/Ex. There is therefore no basis for another time extension. Thank you.

Very truly yours,

Mark J. Hattam
