SUBJECT OF THE CANCELLED HEARING

On August 23, 2006, Yuba County Water Agency (YCWA) filed a petition to change the effective date of the long-term instream flow requirements specified in State Water Board Revised Decision 1644 (RD-1644) from March 1, 2007 to April 1, 2008. The purpose of this hearing was for the State Water Board to receive evidence relevant to determining whether to defer the effective date of the long-term flow requirements established in RD-1644 and Order WR 2006-0009, as requested in the petition. The hearing would have provided an opportunity for the petitioner, interested parties, and any protestants to the petition to introduce evidence relevant to the State Water Board's consideration of the petition.

On November 20, 2006, YCWA filed a request to cancel the December 11-12, 2006 hearing because no party protested YCWA's petition, and because no party filed a Notice of Intent to Appear at the hearing in opposition to YCWA's petition. In the absence of protests or a disputed issue of material fact, no hearing is required to be held on the petition and the previously scheduled hearing is cancelled.

Questions concerning this notice should be directed to Dan Frink, Staff Counsel, at (916) 341-5189 or Ernest Mona, Staff Engineer, at (916) 341-5359.
