#### **SUBJECT OF THE CANCELLED HEARING**

The purpose of this hearing was for the State Water Resources Control Board (State Water Board or Board) to receive evidence relevant to determining whether Permit 11043 (Application 13225), assigned to Monterey County Water Resources Agency (MCWRA), should be revoked for failure to commence, prosecute with due diligence, and complete the work necessary to appropriate water or apply the water to beneficial use as required by the permit, the Water Code or the rules and regulations of the State Water Board.

Subsequently, MCWRA and the Division of Water Rights Prosecution Team reached a settlement agreement. On August 7, 2013, the State Water Board's Executive Director issued Water Right Order [WR 2013-0030-EXEC](#) (Order Approving Settlement Agreement and Partial Revocation). Accordingly, no hearing is required to be held on this matter and the previously scheduled hearing is canceled.
