SUBJECT OF PRE-HEARING CONFERENCE

On April 18, 2003, The State Water Resources Control Board (SWRCB) issued a Notice of Public Hearing and Pre-Hearing Conference. The notice specified that the purpose of the pre-hearing conference was to discuss the scope of the hearing, the status of protests, and any other appropriate procedural issues.

This Amended Notice of Pre-Hearing Conference provides additional notification that the SWRCB requests that the parties be prepared to address the issue of the appropriateness and acceptability of including the protest dismissal conditions in the November 3, 1999, agreement between Pajaro Valley Water Management Agency and the California Coastal Commission in any water right permit that may be issued pursuant to one or more of the pending applications. The parties should also be prepared to discuss the status of the protest of the Department of Fish and Game.

All parties who have previously filed notices of intent to appear in the hearing are required to attend the June 2, 2003 Pre-Hearing Conference.
