SUBJECT OF THE CANCELED HEARING

The purpose of this hearing was to receive evidence to be considered by the State Water Resources Control Board (SWRCB) in determining whether and under what conditions Pajaro Valley Water Management Agency's (PVWMA) petition for partial assignment of State Filed Application (SFA) 18334 (A18334X02) should be approved, or in the event it is not approved, whether a release from priority of SFA 18334 should be approved in favor of PVWMA's companion Applications A30521, A30522 and A30552. On May 21, 2003, PVWMA requested that this hearing be canceled, because PVWMA has decided to withdraw its petition for partial assignment and companion applications currently pending before the SWRCB.

Questions concerning this notice should be directed to Barbara Katz, Senior Staff Counsel, at (916) 341-5192 (bkatz@exec.swrcb.ca.gov) or Ernest Mona, Water Resources Engineer, at (916) 341-5359 (emona@waterrights.swrcb.ca.gov).
