Dear Sirs:

The records of this office show that a statement was made showing the status of water applications which are of concern to this project on January 10, 1939. A copy of that statement is being enclosed and it is requested that you advise us of any changes which have taken place since January 10, 1939, or corrections that should be made in this statement so that this record may be brought up to date.

As this information is of immediate importance to us an early reply would be very much appreciated.

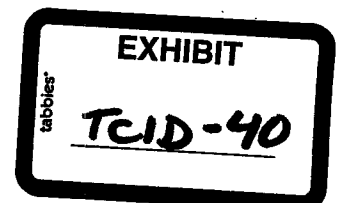

Very truly yours,

F.M. Spencer
Acting Construction Engineer
