Dear WRC Engineer McCue,

On February 1, 2007, I sent a letter to Division Chief Victoria A. Whitney that included Compliance Documentation related to Cease and Desist Order No. 262.31-14. Thus far, I have not received any feedback on the letter or the Compliance Documentation. As the attached Notice includes reference to this Cease and Desist Order, it would be helpful to know whether the materials submitted are satisfactory to the State Water Resources Control Board. When and how will the feedback be provided?

Thank You & Best Regards,

Bert Sandell
Agent - The Vineyard Club
