19 into existence before or during this period.

20 2. YOUR response to the subpoena should include a declaration or affidavit. It should state
21 that a diligent search for all requested DOCUMENTS has been conducted and that the affiant or
22 declarant was in charge of the search or otherwise monitored and reviewed the search sufficiently
23 to be able to represent under oath that such a search was conducted. It should be signed under

1 with the subpoena. If different people are the most knowledgeable about portions of the search
2 (e.g., one person is most knowledgeable about DOCUMENTS contained in computer media and a
3 different person is most knowledge about DOCUMENTS contained on paper) each should sign an
4 affidavit or declaration identifying the category in the request for DOCUMENTS for which that
5 person is the most knowledgeable.

6 3. Unless otherwise indicated, for any DOCUMENT stored in a computer, including all
7 electronic mail messages, YOU should produce the DOCUMENT in the original electronic file
8 format in which it was created (e.g., Microsoft email should be provided in its original format,
9 which would have the .pst suffix, not in a tif file; spreadsheets should be in their original file form,
10 such as an Excel file and word-processed DOCUMENTS should be in their original file format,
11 such as a Word or WordPerfect file), together with instructions and all other materials necessary
12 to use or interpret the data. Electronic mail messages should be provided, even if only available
13 on backup or archive tapes or disks. Computer media should be accompanied by (a) an
14 identification of the generally available software needed to open and view the DOCUMENTS or (b)
15 a copy of the software needed to open and view the DOCUMENT. Note, however, that if a print-
16 out from a computer DOCUMENT is a non-identical copy of the electronic form in which it was
17 created (non-identical by way of example but not limitation, because it has a signature,
18 handwritten notation, or other mark or attachment not included in the computer DOCUMENT),
19 both the electronic form in which the DOCUMENT was created and the original print-out should be
20 produced.

21 4. For each DOCUMENT contained in an audio or video medium, YOU should provide the
22 tape, disk, or other device from which the audio or video can be played and the transcript of the
23 DOCUMENT.

24 5. For all DOCUMENTS for which YOU do not produce in the original, as defined in Evidence
25 Code section 255, YOU may submit copies (black and white copies if the original was in black and
26 white, color copies if the original was in color, and, if the original was in electronic format, in the
27 same electronic medium as the original) in lieu of original DOCUMENTS provided that such
28 copies are accompanied by an affidavit of an officer of WSID stating that the copies of all types of
29 DOCUMENTS are true, correct, and complete copies of the original DOCUMENTS. If there is in

1 YOUR possession, custody or control no original, but only a copy or photographic record thereof,
2 then YOU should produce a true and legible copy of each such DOCUMENT. The accompanying
3 affidavit should state that the DOCUMENT is only a copy or photographic record and not the
4 original.

5 6. If a DOCUMENT is responsive to this subpoena and is in YOUR control, but is not in
6 YOUR possession or custody, in addition to obtaining and producing the DOCUMENT, identify the
7 person who had possession or custody of the DOCUMENT, their telephone number and current
8 business and residence addresses.

9 7. If any DOCUMENT subpoenaed is no longer in YOUR possession, custody, control, or
10 care, YOU should provide a written statement identifying the DOCUMENT with specificity, stating
11 whether it is lost or missing, has been destroyed, has been transferred to others, or has otherwise
12 been disposed of. The written statement should also identify the person who disposed of the
13 DOCUMENT, explain the circumstances and authorization for the disposition and the approximate
14 date of the disposition of the DOCUMENT. If there are no DOCUMENTS responsive to a
15 document request, as to each such document request, YOU should include a statement to that
16 effect in the accompanying declaration or affidavit.

17 8. DOCUMENTS provided in response to this subpoena should be complete and unredacted,
18 submitted as found in YOUR files (e.g., DOCUMENTS that in their original condition were stapled,
19 clipped, attached as a "post-it," or otherwise fastened together shall be produced in the same
20 form).

21 9. Each DOCUMENT produced pursuant to this subpoena should be identified according to
22 the category in the subpoena to which it is responsive. In lieu of indicating on each DOCUMENT
23 the category to which it is responsive, on the date set for production, YOU may instead provide an
24 index if YOU provide it in both paper and in electronic form (such as a computerized spreadsheet
25 in Excel or a Word or WordPerfect document set up in a table format) of all DOCUMENTS YOU
26 produce, as long as this index shows by document control number the request(s) to which each
27 DOCUMENT or group of DOCUMENTS is responsive. Responsive DOCUMENTS from each
28 person's files should be produced together, in one box or in consecutive boxes, or on one disk or
29 consecutive disks. Mark each page of a paper DOCUMENT and each tangible thing containing

1 audio, video, computer, or other electronic DOCUMENTS (e.g. cassette, disk, tape or CD) with
2 corporate identification and consecutive document control numbers (e.g., S.I.. 00001, S.I. CD 001,
3 S.I. audio tape 001). Number each box of DOCUMENTS produced and mark each with the
4 name(s) of the person(s) whose files are contained therein, the requests(s) to which they are
5 responsive, and the document control numbers contained therein.

6 10. For data produced in spreadsheets or tables, include in the declaration or affidavit the
7 identification of the fields and codes and a description of the information contained in each coded
8 field.

9 11. The document requests contained in this subpoena shall be deemed to include a request
10 for all relevant DOCUMENTS in the personal files, including but not limited to files contained on
11 laptops, handheld devices, home computers and home files of all YOUR officers, employees,
12 accountants, agents and representatives, including sales agents who are independent
13 contractors, and attorneys.

14 12. YOU are required to produce all DOCUMENTS responsive to this Subpoena *duces tecum*,
15 regardless of any claim of attorney-client communication and/or attorney work product privilege.

16 13. Whenever necessary to bring within the scope of this subpoena DOCUMENTS that might
17 otherwise be construed as outside its scope, the use of the verb in any tense shall be construed
18 as the use of that verb in all other tenses, and the singular shall include the plural, and vice versa,
19 so as to make this subpoena broadly inclusive.

20 14. YOU are not required to produce DOCUMENTS previously produced in response to the
21 Subpoena *duces tecum* served by the Prosecution Team on October 29, 2015. However, you are
22 required to produce DOCUMENTS otherwise responsive to the October 29, 2015, Subpoena
23 *duces tecum* but which were withheld under any claim of attorney-client communication and/or
24 attorney work product privilege.

25 15. YOU are not required to produce DOCUMENTS previously produced by the Division of
26 Water Rights Prosecution Team and/or the California Department of Water Resources, in
27 response to WSID's California Public Records Act Requests served during 2015 and/or the
28 Document Requests accompanying WSID's Deposition Notices in the above-referenced action.

29 **C. DOCUMENTS TO BE PRODUCED**

1 This subpoena commands production of the original of each and every DOCUMENT now
2 or at any time in the possession, custody or control of YOU without regard to the person(s) by
3 whom or for whom said DOCUMENTS were prepared, including, but not limited to, all
4 DOCUMENTS in the personal, business, or other files of all present or former officers, directors,
5 trustees, agents, employees, attorneys, and accountants of WSID, which RELATES TO any of the
6 following subjects:

7 1. All DOCUMENTS and COMMUNICATIONS RELATING TO the 2014 AGREEMENT.

8 2. All DOCUMENTS and COMMUNICATIONS RELATING TO WSID'S Commencement
9 Notice or Commencement Notices pursuant to the 2014 AGREEMENT, as the term
10 "Commencement Notice" is defined in the 2014 AGREEMENT.

11 3. All DOCUMENTS and COMMUNICATIONS RELATING TO the coordination of wastewater
12 amounts available for diversion on a weekly basis between the CITY and WSID, and the CITY's
13 monthly reports to WSID regarding the amount discharged pursuant the 2014 AGREEMENT.

14 4. All DOCUMENTS and COMMUNICATIONS RELATING TO the 2015 AGREEMENT.

15 5. All DOCUMENTS and COMMUNICATIONS RELATING TO WSID'S Commencement
16 Notice or Commencement Notices pursuant to the 2015 AGREEMENT, as the term

DRAFT CEASE AND DESIST ORDER) AFFIDAVIT IN SUPPORT OF SUBPOENA

11) Government Code § 11450.10; Cal. Code
12) Regs., tit. 23, § 649.6(a)
13)
14)

15
16 **I, Andrew Tauriainen, declare as follows:**

17 1. I am an attorney for the State Water Resources Control Board (State Water
18 Board), Office of Enforcement. I am counsel for the Division of Water Rights Prosecution Team in
19 the above-entitled matter. I have personal knowledge of all facts stated in this declaration and, if
20 called as a witness, could and would testify competently under oath.

21 2. The Assistant Deputy Director, Division of Water Rights, issued a draft Cease and
22 Desist Order (CDO) against The West Side Irrigation District (WSID) on July 16, 2015, alleging
23 that WSID is violating, or is threatening to violate, the prohibition set forth in Water Code section
24 1052 against the unauthorized diversion or use of water. Among other things, the CDO alleges
25 that WSID is diverting or may be threatening to divert water in excess of that available to serve
26 WSID's License 1381, without a valid basis of right.

27 3. In response to a Subpoena *duces tecum* issued by the Prosecution Team on
28 October 29, 2015, WSID provided a number of documents and records to the Prosecution Team
29 in a series of disclosures taking place from November, 2015, through January, 2016. The

1 Subpoena duces tecum filed concurrently herewith does not seek these documents, except to the
2 extent that WSID previously withheld any documents responsive to the October 29, 2015,
3 Subpoena under a claim of attorney-client communication or attorney work product privilege.

4 4. On January 19, 2016, WSID submitted, among other things, the Written Testimony
5 of Karna E. Harrigfeld (submitted as WSID Exhibit WSID0099), as part of its written testimony
6 and exhibits in the above-referenced matter. The proposed Written Testimony describes Ms.
7 Harrigfeld's role as General Counsel to WSID, and also lists Ms. Harrigfeld as an attorney of
8 record in these proceedings along with her law firm, Herum\Crabtree\Suntag, headquartered in
9 Stockton, California. Ms. Harrigfeld's proposed Written Testimony makes numerous statements
10 regarding her knowledge of WSID's jurisdictional area, facilities, water rights, operations, and
11 other matters directly relevant to the proposed CDO.

12 5. Also on January 19, 2016, WSID's attorney submitted a proposed amended Notice
13 of Intent to Appear in the WSID CDO proceedings which, for the first time, lists Ms. Harrigfeld as
14 a proposed witness. WSID's proposed amended Notice of Intent to Appear indicates that Ms.
15 Harrigfeld will testify as to "WSID Water Use."

16 6. Good cause exists for the production of the documents described in the Subpoena
17 *Duces Tecum* and Addendum, served herewith, because the documents requested concern the
18 issues identified as within the scope of Ms. Harrigfeld's proposed testimony and/or are necessary
19 for the Prosecution Team to prepare for cross-examination of Ms. Harrigfeld. Government Code
20 section 11513 governs these proceedings and provides, in relevant part, that parties may "cross-
21 examine opposing witnesses on any matter relevant to the issues, even though that matter was
22 not covered in the direct examination...." The requested documents relate to WSID's diversions
23 during 2014 and 2015, the availability of water to serve WSID during 2015, WSID's understanding
24 of its obligations to comply with water unavailability notices issued by State Water Board staff in
25 2015, and WSID's response to such notices, all of which are relevant to whether WSID is or may
26 be diverting or threatening to divert water in excess of that available to serve WSID's License
27 1381 without a valid basis of right.

28 7. The documents and information requested in the Subpoena *Duces Tecum* and
29

1 Addendum, served herewith, are within Ms. Harrigfeld's possession and/or within her control or
2 are within the possession and/or control of the law firm Herum\Crabtree\Suntag, as they concern
3 matters for which Ms. Harrigfeld and/or other attorneys in her law firm may have advised WSID
4 during 2014 and 2015.

5 I declare under penalty of perjury under the laws of the State of California that the foregoing is
6 true and correct.
