Re: In the Matter of Draft Cease and Desist Order No. 2009-00XX-DWR
Enforcement Action 73 Against Woods Irrigation Company

Dear Ms. Farwell:

I am in receipt of the MSS parties' Motion to Strike and Motion for Issuance of CDO. Both motions are procedurally improper in that closing briefs were due on August 18, 2010 and there was no allowance for subsequent motions. Consequently, both motions are impermissible and should be stricken from the record. Moreover, the motions are substantively and completely without merit. Despite the fact that the motions were impermissibly filed, CDWA, SDWA, and WIC will be filing oppositions/responses to both motions by September 3, 2010.

Very truly yours,

HARRIS, PERISHO & RUIZ
