

## Sonoma County Water Agency Measurement Approach for Individual Points of Diversions

Owner	Individual PODs Not in POD Group	Measurement ID (SWRCB)	Measurement Approach
Camp Meeker RPD	Camp Meeker Recreation & Park District Well 1	Pending	Two flowmeters used to calculate the portion of diversion that is accounted for under SCWA water rights permits; one flowmeter measures total well production at multiple water-right POD, second flowmeter measures delivery to area served by SCWA water rights
Redwood Valley CWD	Redwood Valley District Collector 1	-	POD is not active; SCWA does not have active water supply agreement with this district
Russian River CWD	Russian River County Water District Well 1	-	PODs are not active; SCWA does not have active water supply agreement with this district
	Russian River County Water District Well 2	-	
U.S. Army Corps of Engineers	Coyote Valley Dam	-	Reservoir levels and releases from storage are measured by U.S. Army Corps of Engineers
	Warm Springs Dam	-
