Style C Staff Gage

Part # 14509, 14510, 14511, 15402, 15403, 15404, 15405, 15406, 15407, 15408, 15409, 15410, 15411, 15412, 15413, 15414, 15418, 15419, 43082

Staff gages provide a quick and easy visual indicator of water level. Made with a durable porcelain enamel finish to resist corrosion, Style C staff gages feature graduation marks every 1/100th foot. Numerical marks are printed every foot and tenth foot. Style C comes in standard sections, each 2.5 inches wide and 3.33 feet in height. Multiple sections may be stacked for a total measurement height of 20 feet (6.09 meters). Style C also features sections available in lengths of 1.06 feet, 1.56 feet, 2.06 feet, 4.06 feet.
