# Potential 2025 Temporary Transfers

The State Water Resources Control Board has received notice that a temporary transfer may be filed for the following water rights in 2025. These potential transfers are posted online pursuant to Water Code section 1727. Interested parties may follow the instructions below to request notice of petitions and to identify potential concerns to the water right owners considering temporary transfers. Each potential transfer is identified by 1) water right (statement, permit, or license number), 2) type of transfer, 3) water right owner, and 4) an email address that may be used to contact the water right owner.

If you would like to be included as an interested person for one or more of the proposed transfer(s) and receive notice(s) of the petition(s) directly, please send an email request to [WaterRightPetitions@waterboards.ca.gov](mailto:WaterRightPetitions@waterboards.ca.gov) no later than **March 1, 2025** with “Temporary Transfer Interested Person” in the subject line, and the following information included in the email:

1. An email address to be used as your point of contact;

2. The water right (statement, permit, or license number) for which you may request notice of a petition for temporary transfer; and
3. The concerns you may raise in comments on the petition related to effects on other legal users, fish, wildlife, instream beneficial uses, or groundwater conditions.

You may submit one email to identify interest in multiple potential transfers. Your email should identify which concerns apply to which water right(s).

The State Water Board shall forward the email contact information of interested parties and their concerns to the applicable water right owner. The water right owner may consider the concerns in their preparation of a complete petition or contact you via email to discuss potential concerns.

If you have any questions, please contact [WaterRightPetitions@waterboards.ca.gov](mailto:WaterRightPetitions@waterboards.ca.gov).
