Dear California State Water Board—

I strongly support the removal of the Klamath River dam.

Dear California State Water Board members—

I strongly support the removal of the Klamath River Dam.

Removing the dam will restore the Klamath to the status of a free-flowing river and open 400 miles of spawning and rearing habit to salmon and steelhead.

And it will improve water quality and comply with the Clean Water Act.

Please vote to remove the dam.

Yours truly,

Keith Bentz
