**Subject:** Question on public comment period during Feb. 15, 2019 meeting RE Klamath River dam removals

Hello,

I'd like to attend the 2/15/19 SWRCB meeting regarding the removal of the dams on the Klamath River. I'd like to make a public comment during the comment period.

However, I'm not going to be able to do so if the public comment period is near the end of the meeting, which is scheduled for 1-4 PM.

Do you know when the public comment period is going to be held during the meeting? The notice did not specify a time period for public comment.

Thank you.
