

ANNE FOOTE

2025

Dear Mr. Storer -

Your absence at the September 27th
Sweeping Workshop in Chester was re-
grettable.

I shall only address the "Aesthetics"
section of the draft EIR. (a) (b) (c) and (d)
can only be classified as "potentially
significant impact," in that they cannot
be mitigated without grave danger to water-
ways.

Sincerely,
Anne Foote
