Public Scoping Meeting
DRAFT ENVIRONMENTAL IMPACT REPORT
FOR
UPPER NORTH FORK FEATHER RIVER HYDROELECTRIC PROJECT
WATER QUALITY CERTIFICATION

State Water Resources Control Board

Your input is important to us; please use this comment sheet to provide input on issues, alternatives and mitigation measures to be evaluated in the Draft EIR. Your comments will assist in preparation of the Draft EIR. Please include your name and address below to receive a copy of the Draft EIR.

The thermal curtain

proposition is an invitation

to a catastrophe.

I urge you to instead

focus on extensive shading
measures
downstream.

Destruction of this community (the inevitable
result of thermal curtains) would
defeat every purpose and would indeed
be political suicide for all involved.
Additional space? Please use other side.
