Public Scoping Meeting
DRAFT ENVIRONMENTAL IMPACT REPORT
FOR
UPPER NORTH FORK FEATHER RIVER HYDROELECTRIC PROJECT
WATER QUALITY CERTIFICATION

State Water Resources Control Board

Your input is important to us; please use this comment sheet to provide input on issues, alternatives and mitigation measures to be evaluated in the Draft EIR. Your comments will assist in preparation of the Draft EIR. Please include your name and address below to receive a copy of the Draft EIR.

I attended the community meeting concerning the Thermal cert on Lake Elmore to which I am opposed. The speakers all were informative and presented many issues all against the cert. I have been a resident here since 1978 - and can't conceive of any good the cert can do - and certainly can see the harm that will come about if allowed to happen.
