\* All temporary transfers end immediately upon conveyance of the designated transfer quantity or one year from transfer approval, whichever occurs first

For transfers of stored water, restrictions may preclude reservoir refill until specified conditions are met (this could occur after the transfer period)

\*\*Exchanges and transfers between SWP and CVP of Project water previously diverted to storage south of the Delta.

\*\*\*This column reflects the amount of transfer water actually made available by the petitioner accounting for any applicable stream flow depletion losses. Delta carriage losses are not included.

\*\*\*\* Processed under temporary urgent change petition provisions.
