RE: SWRCB CDO Condition #2

I am writing to express my strong support for the Monterey Peninsula Water Management District's January 3, 2017 proposal on the interpretation and implementation of the C.D.O. Condition 2.

I am both a 20 year resident and business leader of Monterey County. Our business and residents have implemented all of the water saving devices available and reduced water consumption by 50%. The hotel has been audited for compliance by MPWMD.

I believe, the January 3<sup>rd</sup> proposal will provide for clear, consistent and judicious use of our limited water supply.

Sincerely,

René Boskoff  
General Manager
