Dear Mrs. Packard,

We received your July 6, 2016 letter regarding the Monterey Bay Aquarium's concerns related to the modification of Order WR 2009-0060 against California America Water Company. I attached a copy of the e-mail sent on July 1, 2016 by State Water Board's counsel to your attorney, Mr. Ryan Bezerra. The attached e-mail identifies the ex parte communications bar currently in effect, and also provides an interpretation of the section of the preliminary staff recommendation that you expressed concerns about.
